

DONT PASS ME BY

Kathy Depko

Forgiven

F Am
They came to you from every walk of life
F Am
They came to you with sickness and with strife
G
crying....."Don't pass me by,
G Am
don't pass me by, Lord Jesus"

They came to you for healing from the pain
They came to you for hope that they could gain
crying...."Don't pass me by,
don't pass me by, Lord Jesus"

They came to you for answers from above
they came to you in search of Holy love
crying...."Don't pass me by,
don't pass me by, Lord Jesus"

I come to you now Lord upon my knees
I'm begging Lord that you will help me please,
I'm crying..."Don't pass me by.
don't pass me by, Lord Jesus"

F Am
Oh my child, I'm holding out my hands
F Am
proclaiming healing, across this land,
G
and I....won't pass you by, no I
G Am
won't pass you by, I love you...
