

IF YOU COULD ONLY KNOW

Kathy Depko

Dm

If you could only know, could only know

C

How much I love you

Dm

If You could only see, how jealously

C

I guard you, My own

If you could hear My cry, when daily I

See you don't trust Me

If you could watch Me grieve,

each time you leave

My side, My bride, My own

Dm C Dm

Don't you know I love you

Dm C Dm

Don't you know I care

Dm C Dm

Don't you know I'm there

C Dm

My own, My own

If you could hear my voice,

My tender voice

Saying how I love you

If you would see My hand, My gentle hand

And how I guide you, My own

Dm C Dm

Don't doubt me, I'm here

C Dm 2X

I hold you, don't fear
