

# **ALL I SEE**

Kathy Depko

Chorus:

D G  
Oh Lord my God, I'm in wonder

D G  
Oh Lord my God I'm in wonder

Bm A G  
At all I see around me  
Bm A G D

Because all I see around me-is You

C Em D  
All the hills and trees that surround me

C Em D  
All the stars above astound me

All the lakes and streams before me  
All the mighty seas whose shores meet

All the beasts of land and air you gave to me  
Your Spirit's everywhere and yet works through me

Bridge:

A G D  
The sun and moon for day and for night

A G D  
Both these things You gave to give us light

All angelic hosts adore You  
All mankind will bow before You
