## Registration Information

1. **The registration fee must accompany the registration form to ensure your child's space in the class.** The registration fee should be dated the day you register. The tuition fee is due at the first class. The tuition can be paid in monthly post-dated cheques, if you wish. **If you chose to pay the tuition in monthly cheques, please date them for the date of the first class, Feb. 1, March 1 and April 1.**
2. If you must drop out of class prior to the first class, you will receive a partial refund of the registration fee less a holding fee of \$40 if you notify me of this at least one month before the first class. After this date, the entire registration fee is a non-refundable fee for holding the space. If you drop out after classes begin, one month's tuition is due from the date of notification. No refund is given if the student drops out after the seventh class of a 15 week session or after the 4<sup>th</sup> class of an 8 week session.
3. A "family discount" of \$25.00 (total) will be deducted from the last month's tuition costs of one child, for families registering more than one child in a full semester (15 or 16 week classes). This discount is not available if the second child is in an 8 week class or if a child drops out during the semester.
4. Village and Our Time classes may be attended only by the child registered and a parent or care giver. Infant siblings who are not yet crawling may attend the Our Time class if they are content to watch the class from their car seat so that the parent can participate with the registered child. Please make child-care arrangements for other siblings. Siblings may attend the "family time" portion (last 15 min.) of Imagine That and Young Child classes with a parent or care giver.
