SPONSORSHIP PACKAGES START AT \$ 300.00

Dear Sir or Madam:

The Regina Optimist Dolphins Swim Club is pleased to host the **2008 Queen City Swim Challenge** on Sunday, April 20, 2008. This event is a joint fund-raiser for the Regina Optimist Dolphin Swim Club and the North Central Community Association. Not unlike other similar events in the city of Regina, corporate sponsors are key to our success and also provide an opportunity for organizations such as yours to demonstrate their community support. We are very excited to announce a new event this year, the Cannonball Jump Contest. Our hope is to attract significant media coverage to this anticipated event.

On behalf of the swim club's Board of Directors, I would like to seek your assistance in corporate sponsorship. Your sponsorship includes the following benefits:

- Event signage
- Promotional, media recognition
- Swim Challenge apparel and registration packs
- Newsletter/yearbook recognition
- Automatic Team Fun Event entry for your organization

The attached sponsor information sheet and registration forms are included for additional information. Also, a very informative web site has been developed for this event: (<http://users.accesscomm.ca/rods/QCswimchallenge>).

I look forward to hearing from you over the next couple of weeks. Please feel free to contact me at anytime if you have any questions – 1-306-536-9924 or john.hill@sasktel.sk.ca.

Sincerely, John Hill (President Elect)

REGINA OPTIMIST DOLPHIN SWIM CLUB (RODS)

The Regina Optimist Dolphin Swim Club (RODS) is one of the finest swim clubs in Canada.

Since 1967, many Regina youths have enjoyed the benefits and challenges of participating in our developmental and competitive swim programs. RODS is as much a youth organization as it is a swim club. **PRIDE, DISCIPLINE, LOYALTY and COMMITMENT** are learned and experienced at every level in the club and lay a foundation of "Dedication towards Excellence". This character-building process allows our swimmers to become self-confident, self-determined, goal-oriented individuals. Over the years many notable swimmers have come up through the program and gone on to do amazing things.
